Stainless Steel Maintenance

**The Innovative
Kitchen Cleaning
and Housekeeping
Cleaning Solution**

- Maintains and protects stainless steel surfaces
- After use water droplets roll off easily, avoids re-marking
- Easy application and economic use

Chromol

Stainless Steel Maintenance

Product Description

CHROMOL maintains and protects stainless steel surfaces. CHROMOL leaves a protective film on the surface that prevents re-soiling. Water droplets easily roll off and the product avoids re-marking. CHROMOL is easy and economic to use and has a pleasant fragrance.

Use Direction

Before using CHROMOL clean surface with an all purpose cleaner. Apply CHROMOL sparingly on the surface or on a soft cloth. Make sure that on brushed surfaces such as extractor hods, dishwashing machines, elevators etc. you rub in direction of the grain. Do not use on hot surfaces and direct food contact surfaces.

Safety

For professional use only.
Do not mix with any other product.

Recommended use-concentration

use product undiluted

Packaging

6 x 500 ml per outer case

Storage conditions

0 – 40° C

Test use direction

dishwashing machines

pH-value

not applicable
