

WHERE SERVICE MATTERS MOST

PRODUCT GUIDANCE SHEET

ARPAX A2

AIR FRESHENER & ODOUR NEUTRALISER

An extremely effective air odour neutraliser combining a long lasting floral perfume with a unique encapsulating ingredient to completely neutralise stale odours. To aid product recognition the ARPAX A2 product label, the solutions, both concentrated and diluted, and the label on the trigger bottle are pink. It is safe to use on curtains, carpets and other soft furnishings.

Product Name: ARPAX A2
Description: Air freshener & odour neutraliser
Pack Size(s): 2x2Lt
Pallet Size(s): 120
Product Code(s): 733222

HOW TO USE

Suitable for use in all housekeeping and building services sectors where mal-odours are prevalent. Using the trigger bottle atomiser, spray ARPAX A2 directly upwards into the corners of the room to treat mal-odours. Due to the strong residual fragrance do not over use; this should be the final product used on vacating the room after all other cleaning operations have been completed. It is safe to use on curtains, carpets and other soft furnishings.

ARPAX A2 must be diluted before use using an Arpax bottle fill dispenser. For an air freshening solution add one plunge from dispenser per pink labelled Arpax A2 spray bottle and fill with water or via an automatic chemical/water mixing station.

Bottle Fill Instruction:

1. Unscrew trigger spray from bottle and fill with water to the top of the label.
2. Insert bottle neck on to the dispensing nozzle and push upwards – priming the unit.
3. Position spray bottle on the base of the drip tray to allow vending to commence.
4. PULL lever towards you in an upward direction until it CLICKS. This is now ready to vend.
5. To vend product PUSH lever downwards. The concentrate will be dispensed into the bottle at the correct dilution to water.
6. Remove the bottle from the base and screw trigger spray onto the bottle. Turn bottle upside down to ensure thorough mixing has occurred.
7. WAIT for the green indicator to reappear in the window before inserting the next bottle for vending.

SAFETY ADVICE – WHEN HANDLING or DISPENSING THE CONCENTRATE

DANGER Flammable liquid and vapour. Harmful if swallowed. Causes serious eye damage. Keep away from heat/sparks/open flames/hot surfaces. – No smoking. Wear protective gloves and eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor. Store in a well-ventilated place. Keep cool. May produce an allergic reaction.

For further detailed information on this product please refer to the Safety Data Sheet.

FOR PROFESSIONAL USE ONLY

SAFETY ADVICE – WHEN USING THE DILUTED SOLUTION

Wearing eye protection is recommended when dispensing concentrate into bottle, but generally not needed for normal use of the cleaning solution. Wear suitable gloves. Avoid contact with eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention. Keep out of reach of children.

COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product SDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice.
