6. Fire Fighting Measures

Extinguishing Media

This product is not flammable. Use fire-extinguishing media appropriate for surrounding materials.

Special Hazards

If heated, toxic vapours may form.

Special Personal Protection Equipment

Self contained breathing apparatus and full protective clothing must be worn in case of fire.

Hazardous combustion products

Product may decompose in fire and liberate oxides of carbon and other unidentified organic compounds.

7. Accidental Release Measures

Precautions:

Avoid contact with eyes. In line with good hygienic practices in the workplace avoid any unnecessary contact with skin.

Protective Equipment

Use suitable gloves and eye protection.

Method of clean up

Absorb spillage with non combustible, absorbent material (e.g. sand, Spill-Dri). Shovel into plastic lined containers and seal. Wash contaminated area with water.

Environmental Precautions

Do not allow large spillage to enter drains, sewers or water courses. Advise authorities if spillage has entered water course or sewer or has contaminated soil or vegetation.

8. Handling and Storage

Bulk Storage

Store at moderate temperatures in dry, well ventilated area. Store in accordance with relevant local regulations.

Bulk Handling

When using do not eat, drink or smoke.

Suitable equipment for dealing with spillage should be readily available.

Conditions/Materials to avoid

Extremes of temperature.

9. Disposal Considerations

Disposal should be in accordance with applicable regional, national and local laws and regulations.

10. Transport Information

UN number : Not classified
Proper shipping name :

Land - Road/Railway

ADR/RID Class : Not classified
ADR/RID classification code :
Packaging Group :

Sea

IMDG Class : Not classified
Packaging Group :
EmS Code :
Marine pollutant : No

11. Regulatory Information

This product complies with all current relevant EU legislation.

12. Other Information

- Consumer Pack - Use only in accordance with pack instructions.
- This product information sheet is based upon data considered to be accurate at the time of its preparation.
