# EC4 SANITISER

## Unperfumed Cleaner Sanitiser

### SUPER CONCENTRATE

**1 L PROVIDES UP TO 100 TRIGGER SPRAYS  
AND UP TO 100 X 1 L BUCKETS OF SOLUTION**

### EC4 SANITISER

#### DESCRIPTION

- Super concentrate sanitiser
- Multi surface, unperfumed cleaner and disinfectant
- Bactericidal, virucidal and yeasticidal
- Passes EN 16777 and EN 14476 effective against enveloped viruses (e.g. Coronaviruses)
- Also passes EN1276, EN 1650 and EN 16615
- Formulated for the food industry to help prevent the spread of cross contamination
- Removes general soiling, ideal for use on worktops, chopping boards, tables, refrigerators and kitchen equipment
- Peel and reveal multi-language labels
- Low environmental impact product

#### METHOD OF USE

PASSES	DILUTION	CONTACT TIME
EN 16777 - virucidal	1:60	1 min
EN 1276 - bactericidal		30 sec

Dilute concentrate with clean water.

- Virucidal: 1 x 10ml dose per 600 ml diluted solution
- Bactericidal: 1 x 10ml dose per 600 ml diluted solution

#### CLEAN SURFACES BEFORE DISINFECTION

Apply to surface by spray, clean cloth or mop. Leave on surface for the required contact time. Wipe with a clean cloth and allow to air dry. To prevent chemical build-up, surfaces should be periodically washed.

#### HEALTH AND SAFETY
