MATERIAL SAFETY DATA SHEET

10. STABILITY AND REACTIVITY

• Product is stable with no known hazardous reactions.

11. TOXICOLOGICAL INFORMATION

• No toxicological data determined.

12. ECOLOGICAL INFORMATION

Biodegradation: •

• Expected to be biodegradable

13. DISPOSAL CONSIDERATIONS

- For small amounts of product, dilute with copious quantities of water and run to waste (observing Local Authority regulations).
- For larger quantities dispose of at a suitable landfill installation.

14. TRANSPORT INFORMATION

Not classified as hazardous for transport.

15. REGULATORY INFORMATION

• The product has been assessed according to the Cosmetic Products (Safety) Regulations 1996 and is not classified as hazardous.

16. OTHER INFORMATION

First Created : 27/07/00
Issue Date: 29/05/01
Issue Number: 03

The information and recommendations contained in this safety data sheet represent, to the best of our knowledge and belief, an accurate and reliable representation as to the known data for this preparation at the date of issue. The information is intended only as a guidance for safe handling, use, processing, storage and release and is not to be considered a warranty or quality specification. It is the responsibility of the user to evaluate this information in a prudent manner and to use it in a manner that is consistent for his/her particular purpose.
